Artists
Each year ArtiGras receives an average of 1200 applications from artists around the country for the coveted 300 available spaces. Artists are selected through an intense 3-day process by 5 professional artist jurors and cash prizes worth $20,000 are awarded at the event for first place awards in each category.

Artist Survey Results show that exhibitors consider ArtiGras as one of the best shows in the country for Organization, Layout, Quality & Quantity of Customers and Artist Amenities and the average artist grosses over $3,500 during the two-day event.

“It is so evident that ArtiGras is well planned, well-advertised, and well managed. The volunteers were so accommodating...they really enjoyed being there to help both customers and artists...many of them thanked us for being at the show. The brochures were really helpful...I noticed many customers using them.”

“Fabulous treatment of artists and great turnout. I did an artist demonstration this year and was treated like a “rock star”. I did very well on gross receipts and the crowd was sophisticated, the jurying selection of the show was top notch, the staff was very nice.”

Thanks to you all.”

As budget cuts increase, school art programs continue to decrease everyday. We know how important these programs are to a child’s educational and social development and that’s why we created the ArtiGras Foundation to benefit local school art programs and scholarships. We are proud to report that since its beginning, ArtiGras ticket sales and programs have generated over $500,000 to support the arts in Palm Beach County.

Culinary Arts Chef Showcase

Nick Lerner, Cocktail Connoisseur
LUCKY BAR

The heart of this career has been revealed beyond the pint, where he developed a passion for making unique and innovative cocktails. His resume contains a diverse portfolio of local restaurants and bars allowing him to develop his unique cocktail making abilities. As a mixologist, Lerner’s signature creations like sweet potato pie, bread pudding, banana pudding, and sweet coconut pound cake. As his passion grew, Lerner began to play with unique local flavors like carrots, key limes, guava, papaya, mango, and other fruits of the season. Chef Lerner’s vision is to bring local flavors to create new signature cocktails.

Keith Wallace, Chef
RAI PALM BEACH RESORT & SPA

As a child, Keith learned from his grandmother. She taught him basic techniques to create signature creations like sweet potato pie, bread pudding, banana pudding, and sweet coconut pound cake. As his passion grew, Keith began to play with unique local flavors like carrots, key limes, guava, papaya, mango, and other fruits of the season. Chef Wallace’s vision is to bring local flavors to create new signature cocktails.

Nick Dallinger, Chef
SOUTH TERRACE

He started his career as a dishwasher in his family’s diners. This gave him the foundation of hard work, and in his own words, “stirring up some big flavors and doing all the work”. His unique background has given him a knack for taking “throwaway” ingredients and making them into amazing, high-end, elevated cuisine. Chef Nick comes from the old school, hard Knives, eat as he meant to be, and it stuck. He created.

Returning this year, we will incorporate the art of food with our ArtiGras Culinary Arts Studio. This area will have a full kitchen set up provided by Kitchen Concepts & More and will showcase the creativity of cooking through live food demonstrations and tastings from local fine-dining chefs and more!

Showing the community how to reuse their Amazon packaging
Last Thursday, we celebrated our ArtGras Kickoff Party and Commemorative Poster reveal presented by HBK CPA’s & Consultants. The night was filled with delicious food & beverages, live music, works of art by this year’s Emerging Artists and a raffle.

The 2023 poster artist, Leon Ruiz, unveiled the original piece which was auctioned off and purchased by George Gentile. Signed prints of the poster will be available at ArtGras in the merchandise tent!

Thank you to everyone who attended and celebrated the start of ArtGras season!
It was a busy morning covering ArtiGras on @eptv and @ufnfox29 with @kmalanwalker. We were joined by @bds_catering_productions, head of the @palmbeachnorth Chef Showcase, to talk about The Art of Food, and long-time ArtiGras artist, @thickpaint. We are only 3 DAYS away from ArtiGras Fine Arts Festival presented by Hanley Foundation and we can't wait to host you at Gardens North County District Park.

Tickets are available now at an advanced rate. Purchase at ArtiGras.org or through our ArtiGras app.
